Below are just two of the amazing features within our App. Click on the link at the bottom of the page to download the app and try out these features and many more today

Keep track of your work related kilometres with our easy to use
Logbook

Receipts everywhere? Take photos & submit your work receipts with
Receipt Manager

Do you claim for business kilometres – and spend hours Googling the places you've visited to work out how far you've travelled?

Well, thanks to the Ring A Refund App, you can now get all the information you need permanently recorded on your Smartphone. Just set the Logbook to 'Start Trip' and thanks to the wonders of GPS tracking, your precise journey and

Is your wallet bursting with expense receipts? Afraid you might have lost some?

Now there's a simple way to avoid clutter in your life; using the 'Receipts Manager' function on your App. It's so easy.

Open the Receipt Manager function in the App, and select one of the categories (Travel expenses,

the exact kilometres covered will be recorded for you. When you get to your destination, click 'End Trip' and all the details will be saved.

You can view a list of all the trips you have made, including dates, times and kilometres covered and you can even email the details to your accountant, head office, payroll section – whoever needs the information.

It's a really useful feature of your Ring A Refund App. If you haven't used it yet, give it a try. We think you'll be impressed.

advertising, office expenses, etc).

Simply use the camera function on your device to take a photo of the receipt and it's automatically stored in your chosen category. You can enter a name for the receipt, date, amount, GST element and any notes you wish to make about it, and then you are ready to save it.

We recommend that you export the documents from time to time, either by emailing them to yourself or your accountant, to safeguard the data.
